

12 October 2009

The insurance scheme that commenced in 2007 continues to grow. The benefits to the member and the Federation are significant and many are now enjoying the rewards of participating in the scheme that was designed by rural contractors for rural contractors.

Insurer: Elders Insurance.

Underwriter: Allianz New Zealand.

Products: Fire & General, Motor Vehicle, Crop, Spraying, Standing Timber, Livestock, Spraying, Aviation, essentially your business and private cover.

Life, Accident and Health through Sovereign Assurance.

Process: In order to meet your insurance needs, we will:

Assess your actual exposure to risk/loss

Check your existing policies to see if they are adequate for your needs

Check pricing (see benefits below)

Provide assessment on the adequacy of the existing policies and details of what our insurance can improve on.

You then make the decision that is best for you.

Benefits: Superior service.

Insurance packages designed for your business and for you.

Monthly payments at no additional cost (worth an estimated 5% of the premium).

Free membership of Rural Contractors New Zealand (worth \$450 annually and consequentially, free membership of Federated Farmers).
